

UNIVERSITY OF GHANA

School of Graduate Studies

CMRU Seminar
Presentation by
Richard Boateng, PhD.

Email: richard@pearlrichards.org

27 July 2012

Establishment

Established in 1962 initially as the Graduate Studies Centre, and later as the School of Research and Graduate Studies,

the **School of Graduate Studies** as it is now known has responsibility for coordinating all graduate level programmes and records.

Mandate

- Promoting the **development, diversification** and effective **delivery** of post-graduate programmes to address emerging national issues.
- **Accreditation** of all faculty teaching and supervising graduate programmes

Structure

The Board of Graduate Studies has two sub-committees:

The Graduate Programmes Development and Admissions Committee which advises on admissions to graduate programmes, approval of new programmes and revision of existing programmes, and also approves faculty to teach and supervise graduate students.

The Graduate Examinations Committee is responsible for approving thesis and dissertation titles and examiners for graduate level dissertations and theses.

Offices and Principal Officers

The School is made up of the following units:

1. Office of the Dean
2. Theses Unit
3. Admissions Unit
4. Accounts Unit.

The School also has a fifty-sitter computer laboratory and wireless internet connectivity, and a fifty-sitter Conference Room
